## **Public Transportation**

From the NS and metro station Bijlmer, walk along the Arena Boulevard towards Villa Arena, with the Arena on your right. After a few minutes you will see our building ("Oval Tower/Tower Deutsche Bank") across the road on the left, right next to Villa Arena.

## **Parking**

Heussen does not have its own parking spaces for visitors. You are therefore asked to park in the P5 or P4 parking lots. These public car parks are located in (P5) and (P4) under the Villa Arena at approximately 5 minutes walking distance from the entrance to the Oval Tower. In total you should allow approximately 10 minutes extra time for parking and walking.

### **In the parking garage P5**

When you drive into the parking garage, keep to the left ("parking visitors"). You will drive through a long corridor. Then you will reach the barriers of the visitors' area. As soon as you pass these barriers, you will see a barrier on your right in the distance with the office area behind it. You cannot park here (only permit holders), but you will eventually need to go here to enter the entrance to the Heussen premises. So after parking, walk back to that barrier for the office area and keep left (follow the yellow signs Oval Tower/Deutsche Bank). Heussen is located in the Oval Tower on the 10th floor. You can ring the bell at the entrance so the receptionist will open the door for you. Take the stairs to the central reception hall where you can report to the reception desk.

### **In the P4 parking lot**

When you enter the parking garage, drive into the parking garage on top of Villa Arena. After parking, go to the main exit of Villa Arena on the first floor. Walk around the building on your left (including the Grolsh café) where the entrance to the central reception hall of the Oval Tower is located and where you can report.
